ICEESE 2024

2024 IEEE 7th International Conference on Electrical, Electronics, and System Engineering

19 – 20 November 2024| Kanazawa, Japan

HYBRID CONFERENCE

The 2024 IEEE 7th International Conference on Electrical, Electronics, and System Engineering (ICEESE) is to be held in Kanazawa, Japan from 19th – 20th November 2024. ICEESE 2024, a hybrid conference, will be organized by IEEE Malaysia Education Society and co-organized by Engineering and Technical Research Group (EnTER), School of Electrical Engineering, College of Engineering, Universiti Teknologi MARA, Malaysia, and technically co-sponsored by Kanazawa Institute of Technology, Japan.

TOPIC OF INTEREST

- Bioinstrumentation: Sensors, Micro, Nano and Wearable Technologies
- Circuits and Electronics; Electronic Medical Devices
- Mobile Computing Multimedia Services and Technologies
- Networks Design, Protocols and Management
- Optical Electronic Devices & Photonics
- Globalization of Engineering Microsystems Integration

- Radio-Frequency Integrated Circuits
- Robotics System
- Systems on Chips and Network on Chips
- Analysis of Power Quality and System Stability
- Antenna and Propagation, Bioinformatics & Biomedical Imaging
- Electromagnetic and Photonics
- Fault Detection and Diagnosis in Systems

- Expert System, Deep Learning, Machine Language
- Image Processing, Biomedical Signal Processing
- Parallel Programming & Processing
- Power Electronics
- Remote Control and Technique of GPS
- Computer-Aided Design, Manufacturing, and Engineering

PUBLICATION

The Proceedings of ICEESE 2024 may be eligible for inclusion in the IEEE Xplore® Digital Library, once they meet the requirements of an IEEE quality review.
